

registration on the American Stock Exchange, Inc. ("Amex") and Pacific Stock Exchange Incorporated ("PSE").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, in addition to being listed on the Amex and PSE, the Securities are listed on the New York Stock Exchange, Inc. ("NYSE"). The Securities commenced trading on the NYSE at the opening of business on April 10, 1995 and concurrently therewith the Securities were suspended from trading on the Amex and PSE.

In making the decision to withdraw the Securities from listing on the Amex and PSE, the Company considered the direct and indirect costs and expenses attendant in maintaining the listing on such exchanges in addition to the listing on the NYSE. The Company does not see any significant advantage in the trading of the Securities on three exchanges and believes that such additional listings would cause confusion and fragment the market for the Securities.

Any interested person may, on or before May 26, 1995 submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Southern Union Company, Common Stock, \$1.00 Par Value)

May 5, 1995.

The Southern Union Company ("Company") has filed an application with the Securities and exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities

Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, in addition to being listed on the Amex, the Security is listed on the New York Stock Exchange, Inc. ("NYSE"). The Security commenced trading on the NYSE at the opening of business on February 27, 1995, and concurrently therewith the Security was suspended from trading on the Amex.

According to the Company, its Board of Directors determined that listing on the NYSE would benefit both the Company, its shareholders and its utility customers by broadening the potential investment audience and providing greater liquidity for the Security.

In making the decision to withdraw the Security from listing on the Amex, the Company considered the direct and indirect costs and expenses attendant in maintaining the dual listing of the Security on the NYSE and on the Amex. The Company does not see any particular advantage in the dual trading of the Security and believes that dual listing would fragment the market.

Any interested person may, on or before May 26, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
